BEST APARTMENT COMPLEX FLATS AT PONCE CITY MARKET

These lofty, modern flats with stylish Tribeca wood cabinetry, historic brick walls and generous closet space (calling Carrie Bradshaw) are already supercool, but being just steps away from the BeltLine and the shops and restaurants at Ponce City Market is what really makes them the hottest residences in the city. Additional awesome amenities include valet dry cleaning, secured bike parking spaces and sustainable appliances. *Old Fourth Ward, @theflatsatpcm*
